To whom may concern:

In my pursuit of new creative endeavors, I was excited to find the Jr. UX/UI - Frontend developer opportunity. I believe that I can bring valuable contributions to your team.

Identifying innovative approaches and improved solutions to business challenges both motivate and drive me. Observation, inspiration, and determination are my foundation for success. My philosophy is that introducing fresh perspectives and new techniques allow businesses to evolve and grow. My goal is to remain on the cutting-edge of advancements.

Formerly in my Marketing and English teacher role, my successes have stemmed from essential skills. I have enhanced my critical thinking abilities and cultivated a reputation as a major contributor through teamwork and communication. I am a collaborative team player who is always searching for opportunities to impart valuable insights. With these qualities, I am able to facilitate positive change and impacting outcomes.

For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.

I'd be happy to provide greater detail about my skills and experience during an interview. Please call me at your earliest convenience.

Sincerely,  
Diego Marín
